PUCKLECHURCH NEWS EDITORIAL

So, as soon as the Parish and District Elections are over, we are faced with a General Election. Roll on 12th June which marks the end of elections and the beginning of Pucklechurch Revel. The local election results were:

Northavon District Council

Marilyn Palmer (ALL.)	570	Elected
Jim Ivory (CON.)	514	
Laurence Page (LAB.)	133	

Pucklechurch Parish Council

From the 14 candidates the following 9 were elected:

Marilyn Palmer (ALL.)	691
Les Whittock (ALL.)	625
Geoff Wilcock (CON.)	618
Edgar Webb (CON.)	598
Keith Bailey (CON.)	592
Omar Beg (ALL.)	543
Jim Ivory (CON.)	534
Arthur Packer (CON.)	513
Derek James (CON.)	511

Unfortunately, Independents seem to have been 'squeezed' out. Perhaps next time everyone should stand as an independent so that people are elected on their personal merit and not because of voting on 'party lines'.

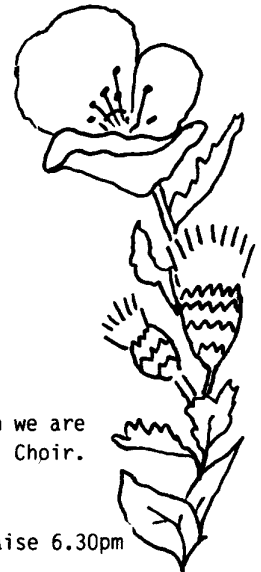

At the first Parish Council meeting held on Friday 15th May, Geoff Wilcock was elected Chairman and Derek James Vice-Chairman. Geoff Wilcock thanked Judith Bailey the outgoing Chairman, who had not stood for re-election, and had been Chairman of the Parish Council for 11 years.

PARLIAMENTARY QUESTION TIME

Rev Ian Wills is hoping to chair a "Question Time" at the Village Hall on Tuesday 26th May at 8pm. He has invited all three Northavon parliamentary candidates along to answer your questions.

They are: John Cope (CON)
Dan Norris (LAB)
Chris Willmore (ALL)

It should be an interesting event - don't miss it!

BEST KEPT VILLAGE COMPETITION

Pucklechurch will again be entering, and hoping to improve on the comments from the Judges of the 1986 competition. (These comments included: "lots of litter" and "gardens generally not attractive".)

We have seen quite an improvement taking shape around the Village Hall, thanks to the M.S.C. who supply free labour; to the W.I. for the lovely show of daffodils; and the Gardening Club members who have helped keep it clean.

The judges of this competition come around anytime from the end of June to August. Can we try to give a good impression that we do care for our village - it only takes a little time to keep our roadside front gardens tidy and the grass cut and bits of rubbish picked up.

There is also a painting competition for children - adults can also have a go - on the theme of the "Best Kept Village". These will be on show in the Post Office window by kind permission of Mrs Shirley Hall. So, if anyone wishes to get involved in any way with this project, please contact Les Whittock, 14 Lansdown or telephone 2090.

YOUTH CLUB

Seven youth club members, along with Sue Williams (Youth Club Leader) and two members of Bristol Outdoor Pursuits, spent the weekend 1-3 May in a 600 year old cottage high up in the Brecon Beacons with no electricity, running water etc - and a great time was had by all! Activities undertaken were abseiling, sea surfing, pot holing and night hikes. Sue reckons it was the best weekend of her life!

YOUTH CLUB LEADER REQUIRED

Unfortunately, however, the Youth Club is now in danger of closing - unless a new Leader and Assistant Leader can be found. For various reasons neither Sue or Charlie are able to continue in September - and Marilyn cannot run Youth Club single-handed. . . The Leader and Asst Leader posts are both paid at standard Avon County rates, if you are interested in helping with Youth Club please telephone Marilyn Palmer (3761). Please ring too, if you would like to help in a voluntary capacity.

At a recent Youth Club session 'Fool Time' came along to teach us circus skills. Most spectacular was a demonstration of club swinging - the clubs were blazing - in the Village Hall carpark in the dark. PC Osborne thoroughly enjoyed it!

PUCKLECHURCH PLAYERS

Auditions were held on 14th May for our next production "Lord Arthur Savile's Crime" a comedy based on a short story by Oscar Wilde. It will be performed on 25th & 26th September. We have a strong cast - Beverley Stewart, Andrea Ryland, Joy Cann, Claire Morris, Pat Gowing, Philip Winter, Brian Rogers, Chris Biggs and newcomers to our productions Nick Tuckett and Ron King. It promises to be very entertaining! More details later.

COMMUNITY ASSOCIATION AGM

At the AGM held on 13th May, Omar Beg was elected Chairman. Peter Ford is continuing as Treasurer and Les Whittock as Secretary, with Jill Hayden as Minutes Secretary. Thanks were given to retiring Chairman, George Conrad, - and also to Marlene Judd and the Entertainments Committee.

WASTE PAPER COLLECTION

The PCA have recently received a letter from the Waste Paper company asking us not to put any of the following in the bin: plastic bags, brown paper, yellow pages or mail order catalogues. This is due to a recession in the trade at the moment and they therefore need to be more selective in the material they collect. This of course means that we are not receiving quite so much per ton, so if you can help increase our quantity this would be very much appreciated.

PLAYSCHEME

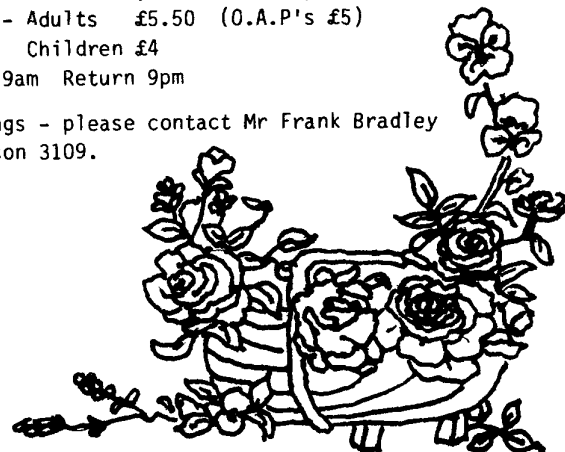

This year's Playscheme will be held from 27 July to Friday 7 August. The Leaders are Beverley Stewart and Barbara Wiltshire, and they will be pleased to receive offers of help, ideas and materials. A "family" coach trip to Littlecote Manor on Thursday 6th August is planned - please book your seats early.

PUCKLECHURCH TWINNING ASSOCIATION

A party of 14 from Pringy visited Pucklechurch at the end of March and both French and English people had an enjoyable weekend. A decision has since been made to formally twin both villages and it is hoped to hold the official ceremony here in June 1988 and at Pringy the weekend of September 10th 1988.

Anyone interested in joining the Association should contact Nancy Cleevely, Abson 2296 or Elaine Stone, Abson 3105. The next meeting of the Association will be held on Monday June 29th in the meeting room and new members will be welcome.

The Association is hoping to hold a Dutch Auction on Saturday 11th July so do look out for further notices nearer the time.

P.News says: Shouldn't the Twinning Assoc hold 'French Auctions' rather than 'Dutch Auctions'??

LETTER TO THE EDITORS

"A Warning to Rabbit Owners"

A near tragedy nearly happened the other week, due to yet another dog being allowed to roam around the village. The dog jumped two walls to get into our garden, tore open the cage and badly savaged the rabbit. Luckily the rabbit managed somehow to get away and was found by a neighbour in the road.

The dog was of a collie type, with brown and black fur, a lot of which was left in the cage. The attack led to a £16 vet bill, new cage and a lot of heartache for the children.

If the owner of the dog would like to reimburse me I would be very grateful.

A worrying outcome of this event was that the vet said a dog like this should be put down as who knows what will be savaged next - another rabbit, a kitten or even worse a child.

I would like to thank Hilary Lawton who found the rabbit and took it in.

ANNUAL DEVIZES TO WESTMINSTER CANOE RACE

This is the sort of event that can reduce grown men to tears!

For senior entrants in double canoes, they have to be 19 and over and they must canoe 125 miles of river and canal, between Wiltshire non-stop. When they run out of canal, as happens no fewer than 72 times they have to pick up the canoe and run!

Our village interest in this race was with James Parker 18 and his girlfriend and co-canoeist Wendy Deacon 17 in the Junior section. They are both members of the flourishing North Avon Canoe Club, and decided to try this race to see if they could at least finish! - An achievement in itself.

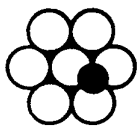

The first stretch started at Devizes and finished at Newbury, covering 34 miles, the next day they did 36 miles in approximately 7 hours. On Easter Sunday they clocked up 38 miles in 6½ hours and slept the sleep of the weary to be ready for the mass start at Teddington on Easter Monday. There were 100+ canoes all assembled for the last stretch of the River Thames which was 18 miles to Westminster Bridge.

The welcome at the finish was fantastic for all the intrepid paddlers and all the pain and blisters were forgotten in the joy of knowing they had completed the fantastic feat. Well done James and Wendy.

For further information on North Avon Canoe Club, contact S Spokes, 132 Robin Way, Chipping Sodbury.

**Cancer
Research
Campaign**

During the Easter holidays Jane Williams, age 8 years, held a Jumble Sale to raise money for Cancer Research. The sale lasted four hours and she worked extremely hard on posters and delivering invitations. £15 was raised. Well done Jane!

THURSDAY SCOUTS

Our Scouts, ages ranging from 10½ to 15½ years, meet every Thursday and we hope they enjoy themselves, but also learn something. We sent some boys to a Patrol Leaders weekend to enable them to find out what it takes to make a good Patrol Leader.

Our brother Scouts in Friday troop gained second place in the 5-a-side football competition held at Yate recently, and we were right behind them in third place.

At the beginning of the Easter holidays Mike Hanks, Paul Parker, Fred Cockle and myself set off with 14 boys to Chelwood Camp site near Keynsham. We also had a camp at Mr Gibbs' farm on Westerleigh Road, with lots of scouts from all over the District. The boys did activities such as rifle shooting, pioneering and golf lessons.

On Sunday 17th May we hope to enter at least one raft in the raft race from Frenchay Bridge to Bamboo Island, in the middle of Vassals Park.

We are keeping up steady progress working for our proficiency badges. Already Scott Levett and Neil Smith have passed their cooks badges. David Hanks and Simon Levett will receive their entertainer's badges as reward for their hard work in Gang Show '87. Didn't they do well! Practically all the troop have qualified for their craftsman's badge, having made something from wood, metal, clay or cloth.

We shall be running our wonderful "Value for Money" bookstall at Revel, so all your books please to 33 Maple Walk, or telephone 3118 and we will collect.

May I just take this opportunity to say that Scouting in Pucklechurch is NOT alive and well. It is in a critical situation. Parents, please don't be shy in offering to help in any way. Scouting is not all knots, burnt sausages and camping in the rain. There are a great many visits we could make if someone would offer to organise them. There are a great many proficiency badges that can be obtained - if you have a particular skill and would be willing to teach the boys on a Thursday for a few weeks. My thanks to the parents and supporters who are already trying to make my job easier.

CONGRATULATIONS - to Sharon Hillier for winning the shield for the fastest home in the pony class in the Royal National Lifeboat Institute Charity Ride held on 17th May. Well done Sharon!

Blood Donors

In a recent P.News editorial we "floated" the idea of bringing the Blood Transfusion Unit to Pucklechurch. Well the first session was held at the Village Hall on Friday 8th May, and we are pleased to report that it was a great success. 111 people attended the session - to the delight of the mobile unit staff. A big thank you to all those people who donated blood - particularly if you plucked up the courage to give blood for the first time. We hope you will continue to support the sessions. The next session will probably be in November.
