What happens then?

- Judges come from outside the village and are neutral third parties who have significant experience in photography. The photos will be judged anonymously.
- Judges will consider visual impact, composition, and image quality (sharp focus, true colour, quality of print, etc.) in selecting the winners. The judges' decisions will be final.
- Winners may be asked to submit digital images or negatives that can be scanned so the winning images can be displayed on the Pucklechurch Community Website or enlarged for display at the Revel Photography Exhibition or on Revel Day.
- Images must be the entrant's own work. Photographers retain their own copyright on the images. However, by submitting an image to this competition, entrants expressly grant the Revel Committee the right to use the image free of charge for display at the exhibition, on Revel Day, and for publishing on the Pucklechurch Community Website.
- All suitable entries will be displayed at the Revel Photography Exhibition in the Village Hall on 11th October.

What are the prizes?

- There will be cash prizes and certificates for all winners, awarded at the Revel Photography Exhibition on 11th October.
